

BORDERTOWN

VINEYARDS & ESTATE WINERY

OUR NAME

Bordertown Vineyard and Estate Winery is nestled in the heart of Osoyoos, a border town that has long been celebrated for rich soil and brilliant sunshine. We're a new generation winery that strives to showcase the distinct regional characters of Osoyoos fruit. We've made our home in Osoyoos, a winegrowing region that provides us with the diversity to grow 14 varieties such as Cabernet Franc, Chardonnay, Grüner Veltliner, Syrah and Merlot. We are also excited to launch our new cider "Hard Pressed". Coupled with Osoyoos' extended days of heat and sunshine, we think we have wine growing Nirvana.

OUR WINERY

Bordertown has made significant investments in a new state-of-the-art winery building, a 6,500-square-foot facility that features a brand new wine cellar, crush pad and warehouse. There is no better place to enjoy Bordertown Wine than our new Tasting Room that provides a gorgeous view of our scenic vineyards and beautiful Osoyoos landscape. Behind the doors of the winery you'll find friendly staff, a relaxed tasting room and a wide range of award winning wines to sample.

OUR INVITATION

Join us for a vineyard tour. We have a truly friendly winery experience waiting for you. Feel free to ask questions. Enjoy!

OUR STORY

For Mohan Gill and his family, the opening of Bordertown Vineyards and Estate Winery in May 2015 was the culmination of a lifetime dream. The Gills are known for their integrity, attention to detail and impeccable farming skills. They built their reputation with over 20 years of experience as growers, supplying some of the Okanagan's best fruit to a select few wineries and winemakers. Their sun-drenched Osoyoos vineyards are the best place to grow grapes and are recognized for producing some of the best and most acclaimed wines in Canada.

"We have poured our heart and soul into the vineyard and it really shows in the fruit quality. It's going to be an exciting journey."

Mohan Gill, Proprietor
